SAVE THESE INSTRUCTIONS

Unpacking the Unit

1. Inspect the Carton.
2. If you note carton damage, take a picture, note the delivery receipt as damaged and contact the dealer or Hastings immediately. **Do not install a damaged product. Hastings is not responsible for damage during transit.**
3. Immediately inspect the unit for damage even if there is no visible carton damage and immediately report any damage to the distributor or manufacturer customer service at 1-800-351-0038. Once the unit is installed and there is surface damage visible, we will assume it was caused by the installer. Installers are responsible for damage that occurs once the unit is set in place. Installation constitutes acceptance.
4. Remove all packaging material except for the protective foam covering. The protective foam covering was put on the product to help eliminate abrasions due to handling and should not be removed until you are ready to inspect or just prior to installation.

Installation and Operation Guidelines

Read all instructions before installing the product. Installer/product owner is responsible for complying with all state and local codes. Hastings strongly recommends using licensed professionals to install these products. **Warning: Certain cleaning products will permanently damage the cosmetic surface of the product. Read cleaning product instruction carefully before using. Never use anything abrasive, aerosol sprays, or metal scrapers.**

BEFORE INSTALLING:

Remove the protective plastic and inspect the product thoroughly. The protective plastic was put on the product to help prevent abrasions/staining, and the cosmetic surface of the product should be protected in some manner after the protective plastic is removed. A factory defect must be reported to the manufacturer before the product is installed. Defects or damage claimed after installation will be excluded from the warranty.

ATTENTION INSTALLER!

Important: Measure the product on site carefully. Hastings is NOT responsible for any preparatory labor or materials.

Warning: Some Vanities and tops may be very heavy. Make sure you have adequate help to move/install them before beginning. Hastings is not responsible for handling damage.

Always protect the product from construction damage. Damage, including chips and scratches, incurred at the jobsite is excluded from the warranty, but may be repaired by a qualified individual at the owner's expense.
